

TILT & EXTEND MOUNT

TE300

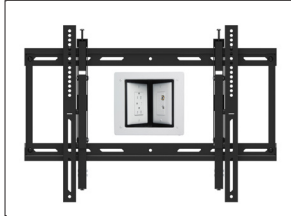

The TE300 extendable tilting TV mount offers the simplicity of a tilt mount with none of the drawbacks. TE300 eliminates the need to plan cabling in advance by pulling away from the wall up to 6" providing easy access to the back of your TV. This extension allows TE300 to pan 8 degrees to left or right, while 12 degrees of forward tilt and 2 degrees backward tilt help avoid glare and improve visibility when mounted above eye level. To ensure perfect TV placement, oversized TV brackets let you adjust your TV vertically while the wide, open-frame wall bracket provides horizontal adjustment and an area to route cables. Capable of supporting up to 150 lbs, any TV between 43" and 90" can mount safely and securely to the TE300 tilting tv mount.

FEATURES & SPECIFICATIONS

- Fits most TVs from 43" to 90"
- Supports TVs up to 150 lb (68 kg)

- Shipping box weight: 13.9 lb (6.3 kg)
- Shipping Box Dimensions: 30.4" x 6.8" x 3.9" (77.3 x 17.3 x 9.8 cm)
- Product Weight: 12.1 lb (5.5 kg)
- UPC: 800152721347

TECHNICAL ILLUSTRATIONS

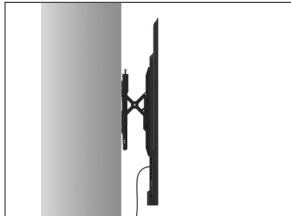

EASY INPUT ACCESS

6" of extension lets you access cables at the rear of your TV - something standard tilt mounts can't do. A spacious open wall plate allows you to mount over electrical outlets or media boxes for clean cable routing.

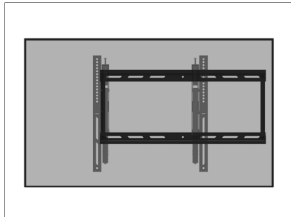

ENHANCED VISIBILITY

The design of TE300 tilting TV mount lets you pan your TV up to 8 degrees left or right. With the ability to tilt forward 12 degrees or backward 2 degrees you'll be able to position your TV perfectly for comfortable viewing.

EASY INSTALLATION

Simply screw two brackets to your TV, secure the wallplate to the studs in your wall, and hang your TV. Because you have easy access to the back of your TV at any time, managing cables is a simple task.

PERFECT PLACEMENT

Nail your TV's placement with oversized TV brackets that let you adjust your TV vertically and a wide wall plate for horizontal adjustment. Post installation leveling is included for a professional looking finished result.

SUPERIOR EXPERIENCE

TE300 extend and tilt tv mount comes with a highly organized hardware kit, and drill template with dust catcher for a hassle-free TV mount installation.
