

PRODUCT DESCRIPTION

Experience the focus and clarity your speakers were meant to deliver. Designed for midsize to full-size bookshelf speakers up to 30 lbs, SPH speaker stands position your speakers for truly accurate, immersive sound. Height-adjustable from 24" to 42", SPH make it easy to align tweeters perfectly with your ears - hitting that essential sweet spot for home theater, stereo, or gaming setups. Featuring all-steel construction from base to speaker plate, SPH stands provide reliable support for your most cherished audio gear. The secure dual-screw locking system ensures the nested columns stay coupled, minimizing vibrations so audio remains true-to-life. With included carpet spikes and rubber feet for stability on any surface, SPH lets your speakers shine without adding visual clutter.
