## ALUMINUM FLIGHT CASE ALPHATHETA DJM-V5

U93032BL

At UDG, we have fine-tuned an already exceptional design concept to create a flight case tailored specifically for the travelling DJ. Crafted from aluminum, it delivers an ultra-stable yet lightweight structure compared to traditional cases. Inside, your gear is shielded by protective, high-density EVA foam padding.

The UDG Ultimate Aluminum Flight Case AlphaTheta DJM-V5 is designed to keep your AlphaTheta DJM-V5 protected from accidental damage when you transport it to and from gigs. They're compact and lightweight yet tough enough to keep your gear safe.

### FEATURES

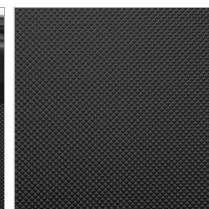

- Fits: AlphaTheta DJM-V5
- Lighter weight than traditional flight cases
- Black Diamond finishing surface
- Corrosion resistant aluminum profiles with strong rounded corners
- Fully-lined with high density foam protective padding
- Fully lined interior egg-crate foam on lid
- Ergonomic & sturdy carry handle
- Four strong butterfly lock
- Rubber feet at the bottom for support in standing position
- Several additional rivets for improved solidity
