

UNIT-4

PORTABLE SPEAKER SYSTEM THAT BRINGS STUDIO-QUALITY SOUND DIRECTLY TO YOUR EVERYDAY LIFE

KEY FEATURES

- **Studio quality sound, anywhere:** Enjoy clear and detailed audio with rich bass, tuned for music creation and critical listening.
- **Grab-and-go portability:** UNIT-4's compact, lightweight design and ergonomic carry handle means it can accompany you anywhere.
- **Endless versatility:** Use a single speaker on the move, link them as a stereo pair, stream instantly over Bluetooth, or cable directly into your favourite synths and DJ gear.
- **Wireless creativity without delay:** Make music or DJ completely cable-free. The two-speaker bundle includes a battery-powered wireless transmitter that guarantees no perceptible audio lag.
- **All-day battery & easy USB-C charging:** Stay completely untethered with over 20 hours of playback time, all powered by the same USB-C charger you use for your laptop.
