ALUMINUM FLIGHT CASE
DENON DJ PRIME 4 G2

U93030BL

At UDG, we have fine-tuned an already exceptional design concept to create a flight case tailored specifically for the travelling DJ. Crafted from aluminum, it delivers an ultra-stable yet lightweight structure compared to traditional cases. Inside, your gear is shielded by protective, high-density EVA foam padding.

The UDG Ultimate Aluminum Flight Case Denon DJ Prime 4 G2 is designed to keep your Denon DJ Prime 4 G2 protected from accidental damage when you transport it to and from gigs. They're compact and lightweight yet tough enough to keep your gear safe.
